

WRC Mission Statement

The Women's Resource Center functions to create a reality which recognizes the equality of women in all aspects of life including economic independence, freedom from violence, and equal access to and power in the political process. We recognize and advocate women's rights to self-determination and self-direction, and to end all forms of oppression of women and children.

WRC Founding

The Women's Resource Center of Winona, a private non-profit corporation, was established in December of 1978. A Board of Directors comprised of volunteer members governs the center. A staff of eleven and an average of 50 volunteers provide services.

WRC Funding

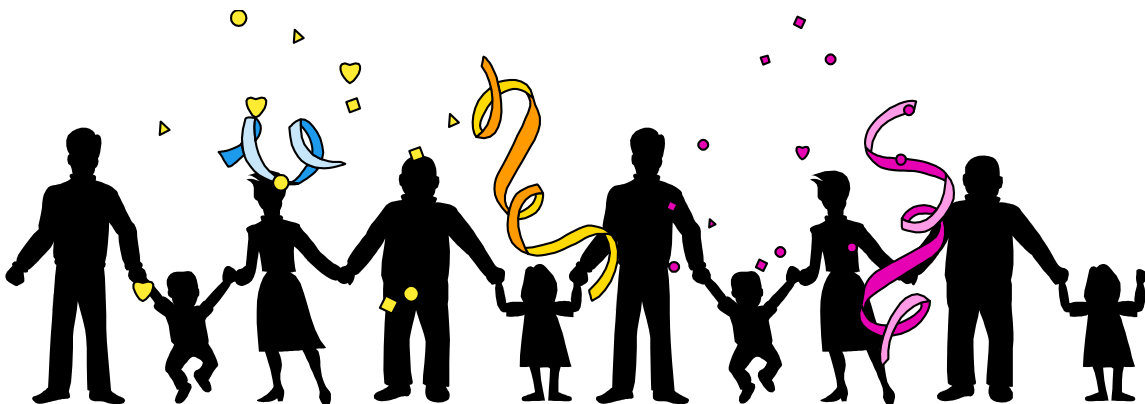

The Women's Resource Center is funded through a variety of sources including: United Way, county, state, and federal grants, as well as memberships and donations. It also receives local support through volunteers, private contributions, and public funding.

WRC Volunteering

Volunteering is a great way to meet new friends and to make a difference. The old adage about "many hands making light work" is true. So even if you can help just a few hours, your efforts will contribute to the work to eliminate violence. If you would like to be a WRC volunteer, please complete the following form on the back of the proceeding page and return it to:

Women's Resource Center
77 East 5th Street
Winona, MN 55987

The Women's Resource Center does not discriminate on the basis of age, differing abilities, gender, sexual orientation, or on the basis of racial, ethnic, religious, or economic background.
